## Event Guidelines

Beauty World | Spa & Wellness Chiang Mai 2008 has set the following guidelines to ensure the safety and satisfaction of all exhibitors and attendees. These guidelines should be followed when planning to visit the trade show:

The venue will be open to the public for the four-day event. Trade visitors attending the show must register online or at the designated registration counters during the fair dates.

Absolutely no firearms or deadly weapons allowed inside the exhibition.

Visitors found promoting their own products or services would be asked to leave the exhibition area.

The organizers reserve the right to refuse entry to individuals deemed as a threat to the general conduct of the event.

The organizers reserve the right to change exhibition rules & regulations without prior notice to ensure the overall success of the event.
